C007/019, Carbon County, Utah

Dear Mr. Haddock,

Attached for your review are five copies each of ANDALEX Resources' responses to the issues outlined in your June 18, 2004 Technical Analysis (TA). This TA was received in our office on June 25, 2004 and as needed, the issues have been discussed with members of your staff prior to formulating responses. We are confident you will find our responses complete and adequate. Also enclosed are appropriate C-1 and C-2 forms.

If you have any questions, or if you require any further information, please do not hesitate to contact me. As you are aware, the timing of this approval is critical for the proposed longwall development mining.

Sincerely,

Michael W. Glasson
Senior Geologist
